1. HOME PAGE

The screenshot shows the DevLearner website's home page. At the top, there is a dark blue header with the "DevLearner" logo and a navigation menu containing links for Home, Courses, About, Events, Projects, Team, Resources (which is highlighted in yellow), and Contact. Below the header, a large blue section features the heading "Our Courses" in white. A subtext below it reads: "Explore our interactive courses designed to take you from beginner to pro in coding." Underneath this, a dark grey section is titled "Popular Courses" in white. It contains two cards: one for "HTML Basics" and another for "CSS Styling". Both cards have small descriptions below their titles.

Course	Description
HTML Basics	Learn the structure of web pages and start building your first website.
CSS Styling	Style your web pages with layouts, colors, fonts, and responsive design.

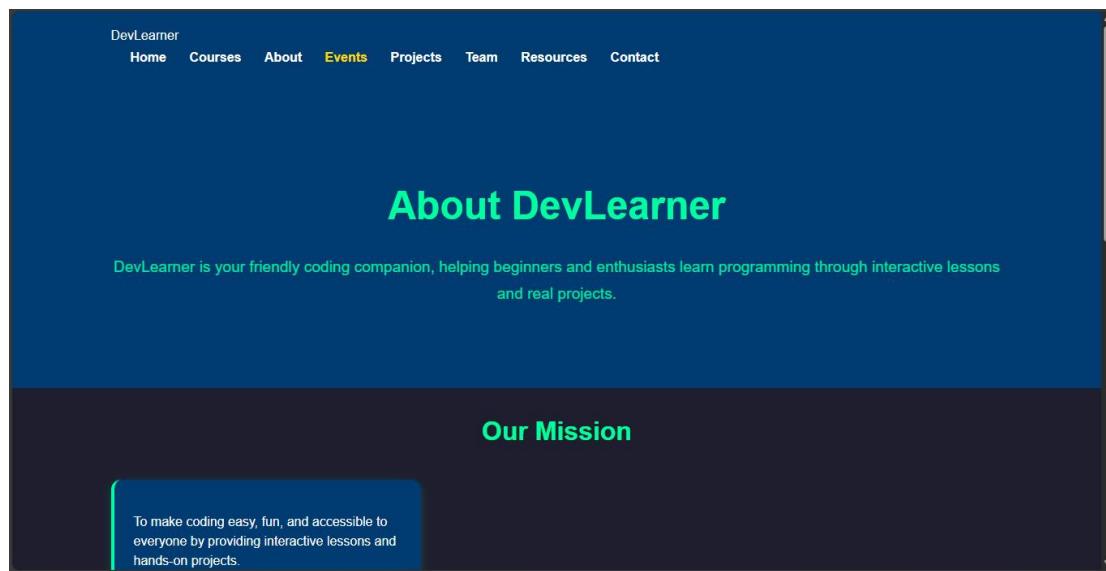

2. COURSES PAGE

The screenshot shows the DevLearner website's courses page. The layout is identical to the home page, featuring a dark blue header with the "DevLearner" logo and a navigation menu. Below the header, a large blue section features the heading "Our Courses" in white. A subtext below it reads: "Explore our interactive courses designed to take you from beginner to pro in coding." Underneath this, a dark grey section is titled "Popular Courses" in white. It contains two cards: one for "HTML Basics" and another for "CSS Styling". Both cards have small descriptions below their titles.

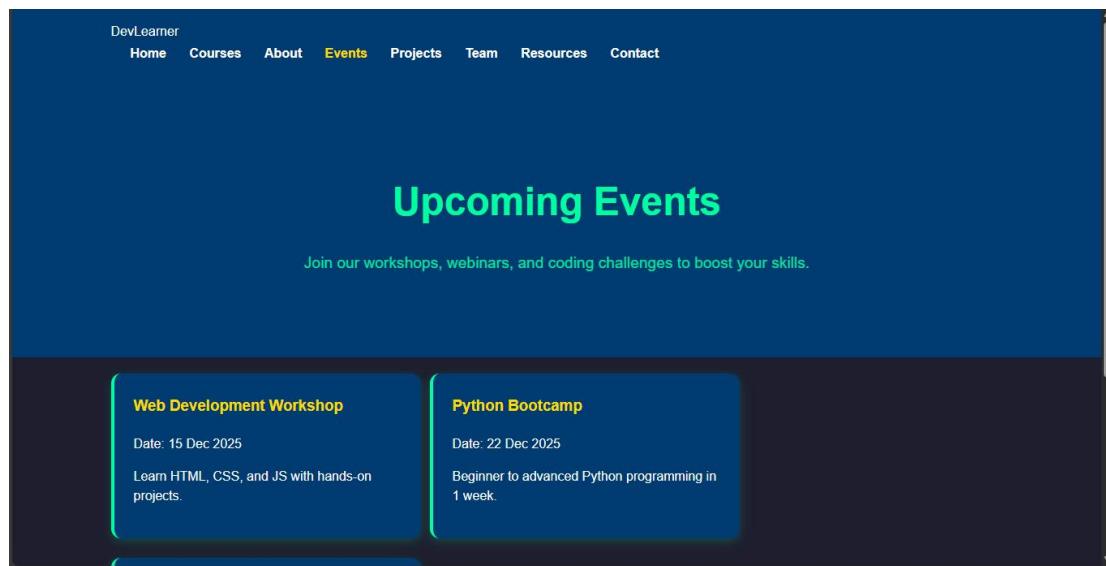

Course	Description
HTML Basics	Learn the structure of web pages and start building your first website.
CSS Styling	Style your web pages with layouts, colors, fonts, and responsive design.

3. ABOUT PAGE

The screenshot shows the 'About' page of the DevLearner website. The header includes the logo 'DevLearner' and a navigation bar with links: Home, Courses, About, Events, Projects, Team, Resources, and Contact. The main content area has a dark blue background with white text. The title 'About DevLearner' is centered at the top. Below it is a brief description: 'DevLearner is your friendly coding companion, helping beginners and enthusiasts learn programming through interactive lessons and real projects.' A section titled 'Our Mission' contains a quote in a callout box: 'To make coding easy, fun, and accessible to everyone by providing interactive lessons and hands-on projects.'

4. EVENTS PAGE

The screenshot shows the 'Events' page of the DevLearner website. The header includes the logo 'DevLearner' and a navigation bar with links: Home, Courses, About, Events, Projects, Team, Resources, and Contact. The main content area has a dark blue background with white text. The title 'Upcoming Events' is centered at the top. Below it is a sub-headline: 'Join our workshops, webinars, and coding challenges to boost your skills.' Two event cards are displayed side-by-side in a callout box. The first card is for 'Web Development Workshop' with a date of '15 Dec 2025' and a description: 'Learn HTML, CSS, and JS with hands-on projects.' The second card is for 'Python Bootcamp' with a date of '22 Dec 2025' and a description: 'Beginner to advanced Python programming in 1 week.'

7. RESOURCES PAGE

The screenshot shows the 'Resources' page of the DevLearner website. At the top, there's a dark blue header with the 'DevLearner' logo and a navigation bar containing links for Home, Courses, About, Events, Projects, Team, Resources (which is highlighted in yellow), and Contact. Below the header, the main content area has a dark blue background with the word 'Resources' in large white letters. A sub-headline in smaller white text reads 'Downloadable tutorials, cheat sheets, and coding guides for learners.' Underneath, there are two cards: 'HTML Cheat Sheet' (described as a quick reference guide for HTML tags and attributes) and 'CSS Guide' (described as a guide to learn CSS properties, selectors, and layouts efficiently). The bottom of the page features a dark footer with a 'Get in Touch' section containing contact information: Email (info@devlearner.com), Phone (+254 700 123 456), and Location (Nairobi, Kenya).

8. CONTACT PAGE

The screenshot shows the 'Contact' page of the DevLearner website. It has a dark blue header with the 'DevLearner' logo and a navigation bar with links for Home, Courses, About, Events (highlighted in yellow), Projects, Team, Resources, and Contact. The main content area features a large white title 'Contact DevLearner' and a sub-headline 'Have questions, suggestions, or want to collaborate? Reach out to us and we'll respond promptly.' Below this, there's a 'Get in Touch' section with contact details: Email (info@devlearner.com), Phone (+254 700 123 456), and Location (Nairobi, Kenya).
